We are pleased to present the only official map of Lycoming County, which incorporates in a single and nearly three thousand roads with accurate data from our successful county-wide e-addressing project. Great care has been taken to ensure that all roads are labeled and indexed. As far as is known, it is our hope that only incorporated access to services and locations that may be helpful in encouraging visitors, many useful features have been graphically depicted. It is our hope that this map will encourage you to enjoy Lycoming County's scenic beauty and its cosmopolitan charm.
